

WHY CHOOSE US?

The virtual battlefield looms 24/7. Today's omnipresent cybersecurity threats demand solutions as innovative, swift, and powerful as the threats themselves. At BEAT LLC, our strength lies in our hand-selected team of cyber experts. Our military veterans and industry experts deliver extensive knowledge and invaluable real-world solutions while our pipeline with the nationally recognized Cybersecurity Program at The University of Texas at San Antonio (UTSA) keeps BEAT on the cutting-edge. With more than 25 years of experience engineering IT Solutions, we support the DoD and Federal Agencies worldwide. Our goal is simple: bring expertise and value to our clients daily. The virtual battlefield never sleeps - neither does BEAT.
